# Devike Senarath

## ABOUT ME -

3D visualizer and interior architect with an HND in Interior Design from AMDT School of Creativity. I take projects from the client's floor plan to finished, client-ready renders.

Skilled in D5 Render, Lumion, SketchUp and AutoCAD, with Photoshop for post-production. I also bring 2+ years in marketing, branding and event management, so I'm used to working with clients and deadlines.
